

# **Parking near Philadelphia Airport**

CheapPhiladelphiaParking.com has partnered with hotels and parking lots near both entrances of Philadelphia airport to find parking options that will save you money. These partnerships enable you to easily get to the airport without having to pay an arm and a leg.

# PHL Airport

Philadelphia International Airport (PHL) is the only major airport serving the 6th largest metropolitan area in the country. PHL and Northeast Philadelphia Airport (PNE) are owned and operated by the City of Philadelphia. PNE is a general aviation and reliever airport.

The Airport is a self-sustaining operation that functions without the use of local tax dollars. PHL is one of the largest economic engines in Pennsylvania. The airport generates more than \$14.4 billion in spending to the regional economy and generates more than 141,000 jobs within the region.

Located just seven (7) miles from the downtown Philadelphia area, the Airport is easily accessible from Interstates 76, 95, and 476. Rail service is also available to the Airport on SEPTA's Airport Rail Line train that operates from 5:25 AM until 11:25 PM daily, every 30 minutes. The rail service has easy connections to AMTRAK at 30th Street Station and regional rail lines at 30th Street, Suburban and Market East stations.

# **Airline Baggage Fees and Policies**

Baggage policies and fees vary among airlines. If you have questions or need specific information on baggage policies and fees, please contact your carrier.

International passengers who are arriving and have checked bags and are connecting to flights in Philadelphia must claim their baggage after clearing U.S. Customs and Immigration and then need to re-check their bags for connecting flights.

Arriving international passengers who have already cleared U.S. Customs and Immigration at their departure airports do not need to claim and re-check their bags for connecting flights in PHL.

# PHL Airport Parking

- Parking at PHL is operated and managed by the Philadelphia Parking Authority. On-site Airport parking is available in the Short-Term Lots (ground level of the garages), Garages and the Economy Lot.
- Philadelphia International Airport offers more than 19,000 spaces in its various parking facilities including; Parking Garages, Short-Term ground level lots and Economy Parking.
- For oversized wheelchair-equipped vans that can not enter the garages due to height restrictions (6 feet), please park in the Economy Lot. For stays less than 24 hours, these vehicles can also use Terminals C, D, E or F Short-Term parking (ground level of the Garages) and will be charged the cheaper Garage rate.
